When you tick the Gift Aid* box, the government will give us 25% on top of your donation. It doesn't cost you a penny and it means that every pound that you donate can go towards helping to transform people's lives in the UK and across the world. This declaration can be used to collect Gift Aid on any donations you make in the future or have made in the past four years. If you're over 18 years old and making a personal donation, please give your full name and home address and tick the box so we can claim Gift Aid.

We won't use this information for any other purpose.

*You must be a UK taxpayer and understand that if you pay less Income Tax and/or Capital Gains Tax in a tax year than the amount of Gift Aid claimed on all your donations to charitable organisations, it is your responsibility to pay any difference.
