

Community Fundraising Team

With your help we can support more vulnerable people across Norfolk, Suffolk and Essex. Our service users need us now more than ever.

Do you have an event or challenge in mind that could raise funds for The Matthew Project or can you help others fundraise?

We are looking to build a team to support our fundraising activities. Tasks may include

- Organising fundraising events of your choice within the local community
- Encouraging people to join in
- Ensuring events are run in line with Health and Safety and Safeguarding policies and procedures
- Sharing ideas and successes to inspire and support other Community Fundraiser
- Working with the Fundraising Team to engage community, organisations and businesses

For individuals who want to support the amazing work we do, we can help you set up a fundraising page, promote your activity *cheer* and you on!

Fundraise for The Matthew Project and become part of our team providing amazing services to individuals, families and the community.

Make a difference. Develop personal and professional skills. Enhance your CV. Support your studies. Meet new people. Feel good.
